 15 COMES NOW, the Libelant/Petitioner, Lewis Vincent Hughes, moving *in propria*
 16 *persona*, a Free White Man, a member of the body politic the State of Washington, standing on
 17 the land, not waiving any rights, preserving all rights under the Common Law and in the
 18 Common Law, in the district court of the United States, as a matter of right to challenge alleged
 19 rights/claims under maritime liens or other claims and notice of seizure on land by Libelees,
 20 complains and alleges the following:

21 **I. JURISDICTION/COGNIZANCE - VENUE**

22 **A. Jurisdiction**

23 *i. Federal Question*

24 1. This Court has original jurisdiction under Title 28 U.S.C. § 1333, in that commercial
 25 banks are instrumentalities of Congress and are therefore subject to all Acts of Congress, i.e. the
 26 Statutes-at-Large, which have been codified as the UNITED STATES CODE, including all
 27 federal banking laws, all of which are under the exclusive jurisdiction of the district court of the
 28 United States. This Court has jurisdiction over all questions arising in the western district of

1 Washington as that is where is Court sits and all causes of action occurred and are occuring in
2 this district.

3 2. **Jurisdiction:** "*The judicial Power shall extend to all Cases, in Law and Equity, arising
4 under this Constitution, the Laws of the United States, and Treaties made, or which shall be
5 made, under their Authority; to all Cases affecting Ambassadors, other public Ministers and
6 Consuls; to all Cases of admiralty and maritime Jurisdiction; ...*" Article III, Section 2 of the
7 Constitution for the United States of America. Emphasis added.

8 3. This is an admiralty/maritime cause of action within the meaning of Federal Rules of
9 Civil Procedure 9(h). Libelant/Petitioner, Lewis Vincent Hughes, draws attention to
10 **2 Benedict** [6th Edition] § 275, pg. 119, 120:

11 *"But where a party discovers that ...he has had no proper notice... and has
12 thereby been deprived of property; or where there has been fraud of any kind...so
13 that no regular remedy is left him, he may obtain redress by filing a libel of
14 review. The subsequent proceedings will be the same as in any suit and the
15 decree of the court will be such as equity demands. There is no corresponding
16 provision in the Civil Rules."* Emphasis added.

17 4. In international law and according to the law of this land, agents of a foreign principal are
18 required to file any purported claim in the appropriate district court of the United States prior to
19 exercising rights to that claim. The district courts have "exclusive original cognizance" of all
20 inland seizures FRCP Rule 9(h) and this includes vessels in rem (Rule C(3)) such as trust
21 organizations and legal names i.e., Lewis Vincent Hughes, LEWIS VINCENT HUGHES,
22 LEWIS V. HUGHES, Jacob Lew, BANK OF AMERICA, N.A., WELLS FARGO BANK, N.A.,
23 BETTER PROPERTIES NW, etc.

24 *"...the United States, ... within their respective districts, as well as upon the high seas; (a)
25 saving to suitors, in all cases, the right of a common law remedy, where the common law
26 is competent to give it; and shall also have exclusive original cognizance of all seizures
27 on land..."* **The First Judiciary Act;** September 24, 1789; Chapter 20, page 77. The

1 **Constitution for the United States of America, Revised and Annotated - Analysis and**
2 **Interpretation - 1982; Article III, §2, Cl. 1.**

3 This fact of protocol - filing a claim in district court of the United States according to
4 international law - is beyond dispute and extends into antiquity: "Meanwhile those who seized
5 wreck ashore without a grant from the Crown did so at their peril." Select Pleas in the Court of
6 Admiralty, Volume II, A.D. 1547-1602; Introduction - Prohibitions, Note as to the early Law of
7 Wreck, Selden Society, p. xl, 1897. Even the IRS recognizes the protocol:

8 *"Place for filing notice; form. Place for filing. The notice referred to in subsection (a)*
9 *shall be filed -- with the clerk of the district court. In the office of the clerk of the United*
10 *States district court for the judicial district in which the property subject to the lien is*
11 *situated..."* 26 U.S.C. § 6323.

12 5. As further evidence that the action before the court is in fact an Admiralty action we find
13 in **UNITED STATES of America v. \$3,976.62 in currency, One 1960 Ford Station Wagon**
14 **Serial No. OC66W145329,**

16 *"Although, presumably for purposes of obtaining jurisdiction, action for forfeiture under*
17 *Internal Revenue Laws is commenced as Proceeding in admiralty, after jurisdiction is*
18 *obtained proceeding takes on character of civil action at law, and at least at such stage*
19 *of proceedings, Rules of Civil Procedures control."* Emphasis added.

20 6. Former English Colonists lobbied the first U.S. Congress to establish a judicial process to
21 provide access to common law courts and their just remedies within the context of admiralty
22 jurisprudence. American Citizens demanded common law courts and remedies because of fresh
23 memories of injustice executed by English admiralty courts under the guise of statutes, which
24 caused undue [on land] seizures & property seizures without jury trials. The First Session of the
25 First Congress, in accord, responded by creating and enabling the district courts of the United
26 States by enacting the '*saving to suitors*' clause. The 'savings clause' ensures American Citizens
27 never suffer the oppression and tyranny of arbitrary and predatory statutory seizures [revised or
28 otherwise] and executions under the guise of lawful admiralty adjudication.

1 *"....Whereas....The British Parliament, claiming a power of right to bind the people of*
 2 *America, by statute in all cases whatsoever....and extended the powers of Admiralty*
 3 *courts beyond their ancient limits within the body of a county....by force of a statute...in*
 4 *the last session of Parliament, three [more] statutes were made...And another statute was*

 18 the British House of Commons, on or about June 1779. The Examination of Joseph
 19 Galloway...before the House of Commons..., 2d ed.; London, 1780, p.61.

20 7. Notice in choice of Law: 5th, 6th, 7th Amendments to the Constitution for the United
 21 States of America secured due process in the course of Common Law for the State Citizens. And
 22 while the State Citizens have no direct relationship to the Constitution for the United States of
 23 America, all provisions of the Constitution are binding on all agents, agencies, courts, and other
 24 instrumentalities of the United States and they are required to comply fully with its provisions. I,
 25 Libelant/Petitioner, Lewis Vincent Hughes, am invoking the Savings to Suitor clause in order to
 26 secure and proceed in the course of the Common Law given the fact that there is controversy
 27 within Special Maritime and Territorial Jurisdiction of the United Sates. In 1948 and 1949,
 28 Congress codified the 'saving to suitor' clause & its common law remedy in Title 28 U.S.C. §
 29 1333(1), without any substantive change in its application or original meaning. **Madruga v**

1 **Superior Court of California**, 1954, 74 S.Ct. 298, 346 U.S. 556, 98 L.Ed. 290. Libelee and
2 their agents/employees /officers are directed by the Governor of the Fund (I.M.F.) AKA
3 Secretary of the Treasury Jacob Lew, alien custodian for Prize and Booty, and are acting as
4 foreign agents of their principal, The Fund and Bank et. al., an *a fortiori* mandates pursuant to
5 the law of the United States of America Title 22 U.S.C. Foreign Relations and Intercourse -
6 International Organizations Chapter 7 § 286g. Jurisdiction and venue of actions - "...*any such*
7 *action at law to which either the Fund or Bank shall be a party shall be deemed to arise*
8 *under the laws of the United States, and the district courts of the United States shall have*
9 *original jurisdiction of any such action.*" Emphasis added.

10 Title 28 of the United States Codes ("U.S.C.") § 1603(b) defines:

11 (b) An "agency or instrumentality of a foreign state" means any entity-

12 (1) which is a separate legal person, corporate or otherwise, and

13 (2) which is an organ of a foreign state or political subdivision thereof, or a majority

14 of whose shares or other ownership interest is owned by a foreign state or political

15 subdivision thereof, and

16 (3) which is neither a citizen of a State of the United States as defined in section

17 1332(c) and (d) of this title nor created under the laws of any third country.

18 ii. ***Amount in Controversy***

19 8. The amount in controversy exceeds \$75,000. On March 12, 2015, MTC FINANACIAL
20 INC. dba TRUSTEE CORPS recorded a TRUSTEE'S DEED UPON SALE in which BANK OF
21 AMERICA, N.A., allegedly paid \$340,000.00 for ownership of the real property. Therefore, the
22 request for relief stated in this Complaint places the claim well over \$75,000 in controversy.
23

24 B. **Venue**

25 9. Venue for all claims lies in the western district of Washington since Libelant/Petitioner's
26 claims arose from acts of the Libelee/Respondents perpetrated therein or perpetrated on a State
27

1 Citizen of the State of Washington through the mail system or the KING COUNTY
2 RECORDER'S OFFICE, or by direct contact. 28 U.S.C. § 1391.

II. Definitions

22. **Definitions:** As used herein and any and all causes of action, actions, processes, or procedures related to or applied to or entered into under this libel of review are governed by the following definitions:

a. The word 'state' or 'State' and any variation of spelling or capitalization means the geophysical area bounded by and within the borders of the state known as Washington, which consists of 71,362 square miles, and is one of the several states which form the perpetual Union known as The United States of America by the confederation ratified by the delegates of the several states on the ninth of July in the year 1778. No alternative definition, whether created by Congress or other construction can be applied.

1 b. The "body politic the State of Washington" means that social compact created
2 by the People on the soil of that land separated from the Oregon Territory and which is
3 part of the perpetual Union known as The United States of America and no other
4 construction can be applied.

5 c. The term 'State Citizen' regardless of any variation of spelling or capitalization
6 means a member of the body politic the State of Washington as defined above. Being a
7 'State Citizen' does not make One a 14th Amendment United States citizen.

8 d. The term 'STATE OF WASHINGTON' means the fiction, foreign, private, for
9 profit business corporation masquerading as a de facto provider of government services.

10 e. The term 'SUPERIOR COURT OF THE STATE OF WASHINGTON FOR
11 KING COUNTY' means the fiction, foreign, private, for profit business corporation
12 masquerading as a provider of judicial services but which has no granted judicial
13 authority but instead acts by war, i.e., the force and threat of arms, involuntary servitude,
14 peonage, and slavery.

15

III. NATURE OF CAUSE OF ACTION

16 23. The cause of this action is a Libel of Review to settle Title and address Trespass on Title
17 are now in the "original exclusive cognizance" of the United States through the district court -
18 see the *First Judiciary Act of September 24, 1789, Chapter 20, page 77*. This cause of action
19 can lay only in the district court of the United States for the western district of Washington, and
20 cannot be moved to the UNITED STATES DISTRICT COURT FOR THE WESTERN
21 DISTRICT OF WASHINGTON, because the Congress of the United States has never assigned
22 Article III judicial power to that Court. A thorough search of the Congressional Record will bear
23 that fact out.

24 24. Libelant/Petitioner, Lewis Vincent Hughes, hereinafter Hughes, claims Title to the land
25 and all fixtures thereon under "Title under DEED" and under United States Land Patent.
26 Liberlee/Respondent, William Raymond Hinesly, hereinafter Hinesly, claims equitable ownership
27 under a Not Statutory SPECIAL WARRANTY DEED, annexed hereto as ANNEX B, issued by

BANK OF AMERICA, N.A., which carries no warranty and which says on its face that it is subject to all RIGHTS, RESERVATIONS, COVENANTS, CONDITIONS, RESTRICTIONS, AGREEMENTS, NOTES, DEDICATIONS, ENCROACHMENT, AND EASEMENTS PRESENTLY OF RECORD. That language alone makes it inferior to Libelant Hughes's Title under Deed. Also, the Court is requested to take *Judicial Notice* that the language does not conform to the language requirements of a statutory WARRANTY DEED, which says that the Grantor actually has title and authority to transfer Title. Investopedia, <http://www.investopedia.com/terms/s/special-warranty-deed.asp>, states the following:

“The grantor of a special warranty deed warrants the title only against his or her own omissions and/or defects, and warrants nothing pertaining to the title prior to his or her possession.”

In this instance, claim to Title, and not actual Title is the only thing which was allegedly transferred to BANK OF AMERICA, N.A. by MTC FINANACIAL INC. dba TRUSTEE CORPS under a TRUSTEES' DEED, and that was without warranty. That TRUSTEES DEED is annexed hereto as ANNEX C.

25. Libelant/Petitioner, Hughes's "Title under DEED" and United States Land Patent are annexed hereto as ANNEX D.

Pertainant Chronological Events

26. On June 25, 2003 Victoria L. Griffin granted to Wanda E. Arp by STATUTORY WARRANTY DEED, a copy of which is annexed hereto as ANNEX E, title to the property.

27. At some time just before August 13, 2004, Wanda Arp sent a Debt Validation QWR to GREENPOINT MORTGAGE FUNDING, INC., disputing the debt and demanding a full accounting of the alleged debt. A copy of that letter was recorded in the public records of KING COUNTY, and is annexed hereto as ANNEX F. GREENPOINT MORTGAGE FUNDING, INC., refused to comply with the Act of Congress as set out at 12 U.S.C. 2605 and thus violated public policy.

1 28. In addition to being in violation of the law, being in violation of and in contempt of the
2 Acts of Congress as set out at 12 U.S.C. 2605, violating and being in contempt of public policy,
3 on October 12, 2004, GREENPOINT MORTGAGE FUNDING, INC., through its servicer GRP
4 Financial Services caused a Corporation Assignment of Deed of Trust to be transferred to WELL
5 FARGO BANK, N.A., a copy of which is annexed hereto as ANNEX G.

6 29. Ultimately title was transferred to the Arp Family Trust by QUITCLAIM DEED on
7 December 6, 2004, a copy of which is annexed hereto as ANNEX H, with Dean A. Arp and
8 Wande E. Arp as the beneficiaries of the Trust and D. Scott Heineman of Union City, California
9 was appointed as Trustee.

10 11 30. At some time just before December 15, 2004, Trustee D. Scott Heineman sent a 10 day
12 demand to GREENPOINT MORTGAGE FUNDING, INC., again demanding validation of the
13 debt or in the alternative tacit agreement granting Trustee D. Scott Heineman power-of-attorney
14 to clear up all claims against the real property which he was Trustee over. A copy of the 10 day
15 demand is annexed hereto as ANNEX I. GREENPOINT MORTGAGE FUNDING, INC., never
16 responded to the 10 day demand and thus by default granted Heineman authority to remove all
17 claims against the real property held in Trust.

18 19 31. On January 5, 2015, GREENPOINT MORTGAGE FUNDING, INC. received two
20 affidavits which were Qualified Written Requests (QWR), which are annexed hereto as ANNEX
21 J, in regards to the two alleged mortgages held by GREENPOINT MORTGAGE FUNDING,
22 INC. Again, GREENPOINT MORTGAGE FUNDING, INC., refused to comply with the
23 requirements setforth in the Statute-at-Large, refused to comply with the Acts of Congress, and
24 refused to comply with public policy. Thus, by operation of law as set forth in RESPA and
25 TILA, GREENPOINT MORTGAGE FUNDING, INC., waived all rights, claims, and interests
26 in the real property held by the Arp Family Trust. Also, their second refusal to answer, the
27 second being a demand under affidavit, places them in default, and pursuant to the provisions of
28 the second demand, the Promissory Note, the Mortgage, and the Deed of Trust are cancelled and
29 are null and void.

1 32. Then on January 28, 2005, GREENPOINT MORTGAGE FUNDING, INC., allegedly
 2 transferred by TRUSTEE'S DEED alleged ownership of the real property of the Arp Family
 3 Trust to WELL FARGO BANK, N.A., a copy of which is annexed hereto as ANNEX K. There
 4 is no available information as to what was done with the Promissory Notes, if anything, but the
 5 filing appears to show that they are held by GRP/AG REAL ESTATE ASSET TRUST 2004-2.
 6 Argunendo, If such alleged transfer could be considered valid, then GREENPOINT
 7 MORTGAGE FUNDING, INC., is and has been nothing more than a debt collector who again
 8 refuses to comply with an Act of Congress as set out at 15 U.S.C. § 1692(i) and refuses to
 9 comply with public policy. 15 U.S.C. § 1692(i) reads as follows:

10 (a) **Venue** Any debt collector who brings any legal action on a debt against any
 11 consumer shall—
 12 (1) in the case of an action to enforce an interest in real property securing the
 13 consumer's obligation, bring such action only in a judicial district or similar legal
 14 entity in which such real property is located; or
 15 (2) in the case of an action not described in paragraph (1), bring such action only in
 16 the judicial district or similar legal entity—
 17 (A) in which such consumer signed the contract sued upon; or
 18 (B) in which such consumer resides at the commencement of the action.

19 Now, since the wording reads “any legal action” and since clearly an action to foreclose is a legal
 20 action, it is required by federal law and by public policy that an action must be brought in the
 21 judicial district which in this case would be in the SUPERIOR COURT OF THE STATE OF
 22 WASHINGTON FOR KING COUNTY. No such action was ever brought, thus making the
 23 foreclosure void and a nullity. Furthermore, Article I Section 3 PERSONAL RIGHTS of the
 24 Constitution for the State of Washington reads as follow:

25 *“No person shall be deprived of life, liberty, or property, without due process of law.”*

26 Non-judicial Foreclosure, even though set out in the Revised Code of Washington is a failure to
 27 bring legal action in a court of law and is without question a violation of Personal Rights
 28 guaranteed under the Constitution for the State of Washington and a denial of process of law.
 29 The Revised Code of Washington is not law but is merely administrative code operated under
 Statutory Jurisdiction.

1 33. On December 30, 1963, Congress enacted Public Law 88-243, 77 Stat. 630, most
2 commonly referred to as the UNIFORM COMMERCIAL CODE to regulate and control all
3 commercial transactions, especially those involving commercial paper, i.e. security instruments.
4 Promissory Notes and Deeds of Trust and Mortgages are all security instruments, especially
5 since it says so on the face of the instruments. In the UCC we find the following:

6 **“UCC § 3-101:19 Nature of Negotiable Instrument.**

7 *As a promissory note is commercial paper under UCC § 301-4,
8 and is not an instrument under § 9-105(1)(i), it is not an account or
9 a general intangible subject to the notice requirement of
§ 9-318(3).*

10 *The promissory note is intangible property in the nature of a
11 'chase in action' which can only be claimed or enforced by an action
12 in court and not by taking physical possession like other types of
13 property.” [Emphasis added]. Anderson’s UCC.*

14 By construction, a Deed of Trust is a *chase in action* and must be enforced ONLY by an action
15 in court. As noted in the above paragraph failure to bring legal action in a court is a violation of
16 the Personal Rights guaranteed under the Constitution for the State of Washington.

17 Libelant/Petitioner, Lewis Vincent Hughes, challenges the constitutionality of the State of
18 Washington Deed of Trust Act as it violates Article I Section 3 PERSONAL RIGHTS of the
19 Constitution for the State of Washington. On January 19, 2005, Wanda Arp specifically and
20 specially objected to the foreclosure and to the fact that no court action was taken to adjudicate
21 the right to foreclose. Said objection was recorded in the public records of KING COUNTY, a
22 copy of which is annexed hereto as ANNEX L. By her actions, Wanda Arp never waived her
23 rights to due process of law.

24 34. The Promissory Note and Deed of Trust were allegedly transferred into GRP/AG REAL
25 ESTATE ASSET TRUST 2004-2. Wanda Arp denies that she knowingly intended to donate the
26 Promissory Note to a securitized trust investment vehicle for the enrichment of investors. An
27 affidavit in support of this statement is annexed hereto as ANNEX M. This raises an issue of
28 material fact requiring adjudication by a trier of facts, a jury, which grants jurisdiction to this
29 Court according to Lawrence’s Anderson on the UCC § 8-101.27, Questions of law or fact as,

1 “*When there is a dispute as to the existence of donative intent, the issue must be*
2 *submitted to the trier of fact*” **Blanchette v. Blanchette**, 362 Mass. 518, 287 N.E.2d

3 34. Also, it is brought to the attention of this Court that the true economic positions of the
4 parties to the mortgage transaction was never revealed to the Arps, because if it had been
5 revealed that Wanda Arp was being converter from that of a borrower to that of a security issuer,
6 the mortgage transaction would have been cancelled immediately. Further, if Wanda Arp,
7 without her knowledge or consent, donated a promissory note, i.e. collateral, into a trust for the
8 enrichment of investors, then the reality is an undisclosed investment contract. Such
9 nondisclosure is a violation of the Statute of Frauds. Libelant/Petitioner, Hughes, is not making
10 statements of behalf of Wanda Arp, but is merely establishing pertinent events.

11 35. Dean A. Arp and Wanda E. Arp never gave up or relinquished their title to the real
12 property to any Libelee/Respondents. Because those who claim to gain title by illegal process
13 are in contempt and in violation of the federal laws, are in contempt and in violation of the Acts
14 of Congress, are in contempt and in violation of federal public policy, and are in contempt and in
15 violation of the rights guaranteed to the People of the State of Washington under the Constitution
16 for the State of Washington, and because there is no judgment in the SUPERIOR COURT OF
17 THE STATE OF WASHINGTON FOR KING COUNTY stripping title from the Arps, they
18 retained title to their real property until they transferred title to Libelant/Petitioner, Lewis
19 Vincent Hughes, on October 4, 2014, a copy of which is annexed hereto as ANNEX D.

20 36. Although WELL FARGO BANK, N.A., allegedly assumed ownership and possession of
21 the real property, they did not have title transferred to them. Ownership and Title are two
22 different things, as the courts have said on a number of occasions. The courts of this nation
23 have said the following in numerous cases:

25 “*The word ownership is frequently used to describe one who has dominion or control*
26 *over a thing, the title to which is in another.*” **Robinson v. State**, 7 Ala. App. 179, 62 So.
27 303, 306. **Lennon v. L.A.A. Acceptance Corp. of Rhode Island**, 48 R.I. 363, 138 A.
28 215,217. **E. Corey & Co. v. H.P. Cummings Const. Co.**, 118 Me. 34, 105 A. 405, 407.

1 “*Thus, while someone may be an owner, the person who holds title can take control and*
2 *dispossess them at any time.*”

3 37. Dean and Wanda Arp, having noticed that other parties were continuing to try to possess
4 their real property, to which they still had title, filed a notice into the public records of KING
5 COUNTY clarifying and correcting any mistakes which might be alleged to exist in their Title.
6 A copy of their recording is annexed hereto as ANNEX N. They allowed more than 60 days to
7 pass, giving adequate time for anyone to respond or object to their actions. No one come forth
8 with any contrary claim. Then on October 4, 2014, they transferred Title under DEED to
9 Libelant/Petitioner, Lewis Vincent Hughes.

10 38. On October 15, 2014, Libelant/Petitioner, Lewis Vincent Hughes, sent a **NOTICE of**
11 **Fatal Defects Affecting Titles and Commerce** to named Libelee/Respondents BANK OF
12 AMERICA, N.A., MTC FINANACIAL INC. dba TRUSTEE CORPS, WELL FARGO BANK,
13 N.A., and other allegedly interested parties via prepaid Certified United States Mail. A copy of
14 one of those notices and copies of the Certified Mail receipts are annexed hereto as ANNEX O.
15 There was no response from any entity objecting to my claim of lawful Title under Deed to the
16 real property of this cause of action. By their failure to respond when properly noticed of claim
17 of title, they defaulted on their claims and waives all further rights to claim title to the real
18 property of Libelant/Petitioner, Lewis Vincent Hughes. Since more than one of the entities claim
19 to have interest in the property resulting in this cause of action, they have a duty and obligation
20 to respond and validate their claim of ownership or title.

21 39. No Response was heard from any entity until March 14, 2015, when an agent for JOHN S
22 REALTY posted notice on the front door of the house of the real property, claiming that JOHN S
23 REALTY was now the property manager acting on behalf of BANK OF AMERICA, N.A.
24 Libelant/Petitioner, Lewis Vincent Hughes, was not present when this happened and was
25 unaware of it until two days later when a real estate agent showed up and was walking around
26 the property taking pictures of everything. That agent, who refused to leave a business card, was
27 served with a copy of the Title under Deed, by Libelant/Petitioner, Lewis Vincent Hughes. A
28 couple weeks later, that same agent returned and advised Libelant/Petitioner, Hughes, that BANK
29

1 OF AMERICA, N.A. was willing to pay Libelant/Petitioner, Hughes, ten thousand dollars to
2 abandon the property and all claims to it. They would not put that specific amount in writing
3 unless Libelant/Petitioner, Hughes, first agreed verbally to the offer. Libelant/Petitioner,
4 Hughes, refused the offer. The offer by BANK OF AMERICA, N.A., was a result their
5 homework and realization that they do not have title to the real property as they presume and can
6 not prevail in a legal action. Libelant/Respondent Hughes has no record or evidence that BANK
7 OF AMERICA, N.A., did not decide it would be more profitable to sell the property under an
8 unenforceable Non-Statutory SPECIAL WARRANTY DEED.

9 40. On or about December 16, 2014, Libelant/Petitioner, Hughes, sent an Application to
10 Withdraw from the Torrens Registration to the KING COUNTY RECORDER in anticipation of
11 bringing a Land Patent forward in his name. A short time later, Libelant/Petitioner, Hughes,
12 receives a letter dated December 18, 2014, from the KING COUNTY RECORDER, stating that
13 the property in question has never been in the Torrens Registration. This was a mandatory
14 requirement before a United States of America Land Patent can be brought forward on a piece of
15 land.

16 41. Then on March 26, 2015, Libelant/Petitioner, Hughes, recorded into the public records of
17 KING COUNTY a DECLARATION OF ASSIGNEE'S UPDATE OF PATENT for United
18 States OF America PATENT NUMBER: 32, a copy of which is annexed hereto as ANNEX P.
19 Notice of the recording is published weekly for one month, as prescribed by law, by the
20 COURIER HEARLD newspaper. A copy of the Affidavit of Publication is part of ANNEX Q.
21 Notice of the filing is sent to JOHN S REALTY on or about April 1, 2015, as agent for BANK
22 OF AMERICA, N.A. Under the provisions of the Patent Laws for the United States of America,
23 anyone having an adverse claim has sixty (60) days from the date of filing to file a legal action
24 to challenge the assignment of the Patent. Bouvier's Law Dictionary, Volume III, page 2570
25 (1914). No such action was ever filed by BANK OF AMERICA, N.A., and thus they waived all
26 claim of Title to the real property of Libelant/Petitioner, Lewis Vincent Hughes.
27

28 **IV. Pertinent American History after the First Act of the First Congress:
29 'Savings Clause'**

1 42. Libelant/Petitioner, Lewis Vincent Hughes, has not record or evidence that the following
2 facts are not true and correct.

3 43. That each Fiction Libelee and its attorneys knew or should have known that on October
4 28, 1977, the passage by Congress of Public Law 95-147, 91 Stat. 1227, Title 12 U.S.C. § 265,
5 266, CFR 31 Part 202, declared most banking and loan institutions, including State banks, to be
6 under direction and control of the alien Corporate "Governor" of the International Monetary
7 Fund. See: Public Law 94-564, Legislative History, pg. 5942, and U.S. Government Manual,
8 1990/91, pg. 480-481, 26 I.R.C. § 6302(c). The Act further declared the true condition of the de
9 facto system at page 1229, to wit:

10 10 “(2) Section 10(a) of the Gold Reserve Act of 1934 [31 U.S.C. § 822(b)] is amended by
11 striking out the phrase ‘stabilizing the exchange value of the dollar’...”

12 12 “(c) The joint resolution entitled ‘Joint resolution to assure uniform value to the coins
13 and currencies of the United States’, approved June 5, 1933 (31 U.S.C. § 463) shall
14 not apply to obligations issued on or after the date of enactment of this section.”

16 The Department of Revenue, of course, being the execution of bankruptcy proceedings against
17 the American People since the advent of House Joint Resolution 192 of June 5, 1933 - P.R. 73-
18 10, see Senate Report 93-549, currently formed "International Monetary Fund" and "World
19 Bank" etc. - the State, City METRO municipal and police powers under United Nations charter
20 law - protected by the same alleged positive law jural society (international treaty) exemptions
21 home rule.

22 The inter-agency International Organizations, Corporations and Associations had closed their
23 doors, See: 60 Stat. 1456, Article VI, 5(b), and refused to pay their debts and could not pay their
24 debts, determined that they could pass the loss of their non-redeemable, non-current notes,
25 bonds, warrants/checks and other evidences of debt off on others, See: 60 Stat. 1456, Article VI,
26 5(c), and thereby crown their fraud with success. As stated in Westfall vs. Braley, 10 Ohio 188,
27 75 Am. Dec. 509:

1 "Bank notes are the representative of money, and circulate as such, only by the general
2 consent and usage of the community. But this consent and usage are based upon the
3 convertibility of such notes into coin, at the pleasure of the holder, upon their presentation
4 to the bank for redemption. This is the vital principle, which sustains their character as
5 money. So long as they are in fact what they purport to be, payable on demand, common
6 consent gives them the ordinary attributes of money. But upon failure of the bank by
7 which they were issued, when its doors are closed, and its inability to redeem its bills is
8 openly closed, and its inability to redeem its bills is openly avowed, they instantly lose the
9 character of money, their circulation as currency ceases with the usage and consent upon
10 which it rested, and the notes become the mere dishonored and depreciated evidences of
11 debt...In the absence of any special agreement, the very offer of bank notes, as a payment
12 in money of a pre-existing debt, is a representation that such notes are what they purport to
13 be, the representative of money and that they have the quality of convertibility, upon
14 which their currency as money depends. It is only upon this idea that they can be honestly
15 tendered as money, and when accepted as such, under the same supposition, the mutual
16 mistake of facts should no more be permitted to benefit one party, or prejudice the other,
17 than if the notes had been spurious, or payment had been made in base or adulterated
18 coin...A party might fraudulently pass the paper of a broken bank, and yet it might be
19 difficult to prove his knowledge of the previous failure. Or if his victim should succeed in
20 passing it to one equally ignorant of the facts with himself, the last recipient would be left
21 to bear the loss, and the fraud crowned with success.">> Source: Letter, October 26, 1989,

1 44. That each Fiction Libelee/Respondent and its attorneys knew or should have known that
2 the de facto United States, as corporator and subscriber, See: 22 U.S.C. § 286e, and the de facto
3 "STATE" and the inter-agency International Financial Institutions, Organizations, Corporations
4 and Associations, including but not limited to, the Federal Reserve Banks, See: 22 U.S.C. §
5 286d, had declared "insolvency". See: Public Law 88-243 § 1-201(23), Adams vs.
6 Richardson, 337 S.W.2d 911, Congressional Record-House, May 4, 1992, pg. H 2891. The
7 bonds, debentures, notes, certificates, securities, warrants, checks, and other evidences of debt
8 issued by or in behalf of their profligate inter-agency operations became "worthless securities"
9 and "debt instruments" as a matter of equity and law. Thus, they cannot pass good, clean, lawful
10 title to real property. Trading in worthless securities with unclean hands cannot give rise to an
11 enforceable claim under equity law.

12 "26 I.R.C. § 165g, Worthless securities. – (1) General rule. –If any security which is a
13 capital asset becomes worthless during the taxable year, the loss resulting therefrom shall,
14 for the purposes of this subtitle, be treated as a loss from the sale or exchange, on the last
15 day of the taxable year, of a capital asset."

16 (2) Security defined.

17 (C) A bond, debenture, note, or certificate, or other evidence of indebtedness, issued by a
18 corporation or by a government or political subdivision thereof, with interest coupons or
19 in registered form.

20 26 I.R.C. § 1275. Other definitions and special rules.

21 1. Definitions. For purposes of this subpart- (1) Debt instrument.

22 (A) In general. Except as provided in subparagraph (B), the term "debt
23 instrument" means a bond, debenture, note, or certificate or other evidence of
24 indebtedness." See also: IRS Form #1545-0067 for Foreign Earned Income.

25 As stated by John Adams:

26 *"I am of the opinion...that there never was a paper pound, a paper dollar, or a paper
27 currency [as money] but by force and fraud. That the army has been grossly cheated;
28 that the creditors have been infamously defrauded [some closed their shops to prevent
29 being paid off with worthless paper money]; that the widows and fatherless have been*

1 *oppressively wronged and beggared; that the gray hairs of the aged and the innocent, for*
 2 *want of their just dues, have gone down with sorrow to their graves, in consequence of*
 3 *our disgraceful depreciated paper currency.” >>See: The Financial History Of The*
 4 *United States, (1896 Ed.), Albert S. Bolles, pg. 139.*

5 45. That each Fiction Libelee/Respondent and its attorneys knew or should have known that
 6 the inter-agency Banking associations, knowing themselves to be insolvent, fraudulently
 7 accepted the deposits of people See: **Easton vs. Iowa**, 188 U.S. 452, at pg. 454; the very essence
 8 and representative of their labor and efforts, their property. The same said illicit association
 9 having been precluded from lending, loaning or borrowing on the security of our
 10 Constitutional gold and silver Coin (See: 18 U.S.C. § 337), and having loaned, borrowed and
 11 extended their own re-hypothecated debt credit, and preying upon the “necessary confidence
 12 between man and man” >See: Federalist Papers No. 44, had no intentions of returning or giving
 13 others “just compensation”, nor honoring their inter-agency “obligations” at any time.
 14

15 “The fact that those notes constitute the principle currency in which ordinary
 16 transactions of business were conducted...cannot change the law. The notes were
 17 not a legal tender for debt, nor could they have been sold for the amount due in
 18 legal currency. The doctrine that bank bills are a good tender, unless objected to
 19 at the time, on the ground that they are not money, only applies to current bills,
 20 which are redeemed at the counter of the bank on presentation, and pass at par
 21 value in business transactions at the place where offered. Notes not thus current
 22 at their par value, nor redeemable on presentation, are not a good tender to
 23 principal or agent, whether they are objected to at the time or not.” See: **Ward vs.**
 24 **Smith**, 74 U.S. (7 Wall) 207, pg. 210.

25 “The Constitution of the United States does not secure to anyone the privilege of
 26 defrauding the public.” See: **Easton vs. Iowa**, 188 U.S. 452, pg. 454.

27 46. That each Fiction Libelee/Respondent and its attorneys knew or should have known that
 28 on January 19, 1976, United States House Representative, Marjorie S. Holt noted for the record a
 29 second **Declaration of INTERdependence**, and clearly identified the United Nations as a
 26 “Communist” organization, and that they were seeking both production and monetary control
 27 over the Union and People through the International Organizations promoting the “One World

1 **Order.”** (Reference: Declaration of Interdependence, January 19, 1976, Congressional Record,
2 January 19, 1976, Extension Of Remarks; also see: 8 U.S.C. § 1101(40), 50 U.S.C. §§ 781, 783,
3 Congressional Record, November 7, 1969, John Rarick. This is contrary the **prohibition**
4 **contained in Title 50 U.S.C. § 407**, to wit:

5 **No part** of the funds appropriated in this (or any other) Act shall be used to pay
6 (1) any person, firm, or corporation, or any combinations of persons, firms, or
7 corporations, **to conduct a study or to plan** when and how or in what
circumstances the Government of the United States should **surrender this**
8 **country and its people to any foreign power**, (2) the salary or compensation of
9 any employee or official of the Government of the United States who proposes or
contracts or who has entered into contracts for the making of studies or plans for
10 the surrender by the Government of the United States of this country and its
people to any foreign power in any event or under any circumstances. Emphasis
11 added in bold underline.

12 Numerous members of both the de facto United States House of Representatives and Senate,
13 disregarding their sworn oaths, several promises and duties, signed the Declaration thereby
14 lending credence, prestige, and allegiance to the diverse Foreign/Alien ideologies and
15 Organizations.

16 47. That each Fiction Libelee/Respondent and its attorneys knew or should have known that
17 the de jure Monetary and Military powers being previously abridged, relinquished, re-delegated
18 and usurped to the direction and control of Foreign Powers, namely the United Nations
19 Organizations and Agents, left the internal operations of the civil government partially intact.
20 Congress passed Public Law 93-83, 87 Stat. 197, on August 6, 1973, thereby transferring certain
21 other public offices and interests over to the direction, control and financial benefit of the United
22 Nations Organizations, namely the “International Criminal Police Organizations” (INTERPOL),
23 22 U.S.C.A. § 263a. Public Law 93-83, Part D, Section 402(c), at pg. 206, specifically states
24 that:

25 **“(c) The Institute shall serve as the national and international clearinghouse**
26 **for exchange of information with respect to the improvement of law**

1 enforcement and criminal justice, including but not limited to police, courts,
2 prosecutors, public defenders, and corrections.”

3 48. The International INTERPOL operations, based in Lyon, France, have numerous other
4 inter-Agency Agents, who are under direction, control and financing of the “alternate”
5 permanent member of the INTERPOL “Secretariat”, the “Secretary of Treasury” a/k/a alien
6 corporate “Governor” of The Fund and The Bank, and the “permanent” member of the
7 INTERPOL “Secretariat”, the U.S. Attorney General. See: Memorandum Of Understanding
8 Between The Department Of The Treasury And The Department Of Justice Pertaining To U.S.
9 Representation To The International Criminal Police Organization (INTERPOL) And Matters
10 Related Thereto (1977), U.S. Government Manual, pg. 385. The INTERPOL Agents are part of
11 an “International Force,” under direction and control of the Secretary General of the United
12 Nations - Congressional Record-House, September 22, 1988, pg. H7936, the Secretary of
13 Treasury a/k/a the alien corporate Governor of “The Fund” and “The Bank” and the U.S.
14 Attorney General (Memorandum of Understanding, and U.S. Government Manual 1990/91, pg.
15 385, International Criminal Police Organization (INTERPOL), Constitution And General
16 Regulations; GAO, Briefing Report to the Chairman, Subcommittee on Civil and Constitutional
17 Rights, Committee on Judiciary, U.S. House of Representatives, Counterterrorism, Role of
18 INTERPOL and the U.S. National Central Bureau, June 1987, GAO/GGD-87-93BR; Report Of
19 The Comptroller General Of The United States, United States Participation In INTERPOL, The
20 International Criminal Police Organization, December 27, 1976, ID-76-77), the expatriated,
21 alien, permanent members of the “Secretariate”.

22 That each Fiction Libellee/Respondent and its attorneys knew or should have known that as
23 INTERPOL Agents they are required to renounce their allegiance to their respective Countries
24 and State, as evidenced by Letter, Internal Memorandum, June 6, 1972, Mr. John E. Ingwersoll,
25 Director to John Warner, Chief, Strategic Intelligence Office, on page 2, to wit:

26 “The Secretariate consists of international police officers who have given up their
27 allegiance to their individual countries for the term assigned to INTERPOL.” (See
28
29

1 also: Constitution and General Regulations, INTERPOL, Articles 25-30, Title 8 U.S.C. §
2 1481, Title 22 U.S.C. § 611).

3 49. While acting under the Constitution And General Regulations of INTERPOL, by way of
4 USNCB of INTERPOL - United States National Central Bureau- "Point of Contact for
5 International Law Enforcement" - these Foreign Agents adhere only to the Constitution And
6 General Regulations of INTERPOL and claim complete exemption from the domestic Laws of
7 the host Nation, State or Local Authority.

8 "In the exercise of their duties, the Secretary General and the staff shall neither
9 solicit nor accept instructions from any government or authority outside the
10 Organization. They shall abstain from any action which might be prejudicial to
11 their international task." See: INTERPOL Constitution And General Regulations,
12 Article 30, Clause 1.

13 50. The alien, inter-agency INTERPOL operations can and do obtain information on
14 Americans and their families even though no specific criminal incident has occurred, and use
15 numerous documents to access and obtain information, including but not limited to: social
16 security numbers, See: **United Food and Commercial Workers International Constitution**,
17 (1997), Article 34(B) par. 7, passports, drivers licenses, vehicle registration, finger prints,
18 medical and dental records, bank accounts, and numerous other inter-agency records, indexes
19 and files See: **GAO Briefing Report**, Role of INTERPOL and the U.S. National Central
20 Bureau, GAO/GGD-87-93BR, pg. 2, 3, 17, 18, and claims exclusion and immunity from
21 Freedom of Information Act, and the Privacy Act of 1974, 5 U.S.C. § 552, and numerous other
22 domestic Laws. See: **Executive Order No. 12425, Code of Federal Regulations (CFR) 5.4**.
23 The Internal Revenue Service, being represented members of INTERPOL, also uses telephone
24 numbers through the "Automated Collection System (ACS)" to access files. See: GAO Report
25 to the Joint Committee on Taxation, U.S. Congress, "Tax Administration", Extent and Causes of
26 Erroneous Levies, December 1990, GAO/GGD-91-9, pg. 1. The inter-agency international Law
27 merchants and their factors had obtained access to all facets of anyone's private life, affairs and
28 their property, whether corporeal or incorporeal in their nature. Those of alien character and
29

1 certain expatriates had declared themselves above the Law of Nations or of any particular
2 Nation/State.

3 51. The district court of the United States for the western district of Washington has acquired
4 exclusive original cognizance of this claim for the United States because this is a federal
5 question - a Constitutional matter involving a Free White Man on the land complaining about
6 threatened theft and seizure of private property contrary to due process of law -Title 18 U.S.C.
7 §§ 661 and 1201 respectively and irregular extradition from the asylum state into the United
8 States custody, treason - Constitution, Article III §3 and Title 18 U.S.C. §2381 by William
9 Raymond Hinesly and each Fiction Libelee and its attorneys and unidentified subordinates,
10 agents of a foreign principal, creating diversity of citizenship - Title 28 U.S.C. §§1331 and 1333
11 respectively. The presentments, SPECIAL WARRANTY DEED, TRUSTEE'S DEED UPON
12 SALE, NOTICE OF TRUSTEE'S SALE are arbitrary and capricious grounded in fraudulent
13 statements of unidentified subordinates foreign agents clearly serving as the sole authority for the
14 actions by way of inland seizure of the inherent right to property of Lewis Vincent Hughes.
15 Speaking historically, the districts, formed in 1790 for handling the financial obligations of the
16 United States could not come into existence until after formal expression of remedy in the
17 'saving to suitors' clause (1789) quoted above and codified at Title 28 U.S.C. §1333.

18 52. The only excuse for the discretionary authority granted administrative agencies is the
19 judicial oversight demonstrated in this invocation of an Article III court.

21 **V. Stipulation of acceptable answer**

22 53. The issue is simple. Agents of a foreign principal are required to register as foreign
23 agents and are further required to file their compliance in the appropriate district court prior to
24 exercising any ostensible claim against a Free White Man on the land. This is international and
25 common law. In this case, there have been no claims filed against Lewis Vincent Hughes or
26 pseudonyms in the respective district court of the United States for the western district of
27 Washington. As a matter of both law and fact, no contract binds Lewis Vincent Hughes to
28 forfeit freedom or property to William Raymond Hinesly or any Fiction Libelee/Respondent or it

1 attorneys. Each Fiction Libelee and its attorneys as foreign agents must directly address the
2 validity of the certificate of search that clearly shows there have been no claims filed against
3 "Lewis Vincent Hughes" or any pseudonym through which Lewis Vincent Hughes may be
4 engaged in contract in the district court of the United States for the western district of
5 Washington. The court clerk for the western district of Washington through his agent can
6 execute a certificate of search that can establish no such claims against Lewis Vincent Hughes or
7 any legal name exist. William Raymond Hinesly or any Fiction Libelee/Respondent or it
8 attorneys may contact the court clerk to conduct searches and of course the Article III judge can
9 research cases in chambers. It is however reasonable to say that if William Raymond Hinesly or any
10 Fiction Libelee/Respondent are moving on a valid claim and judgment in district court of the
11 United States for the western district of Washington then William Raymond Hinesly or any
12 Fiction Libelee/Respondent or it attorneys know what case it is.

13 54. Any responsive answer to this Libel of Review entered into the record of this action by
14 any foreign agent, which is not accompanied by a Certificate of Registration as a foreign agent is
15 fraud upon the court and is void and inadmissible and cannot stand on the record. Further, it is
16 grounds for the immediate issuance of an arrest warrant under exigent circumstances. See later
17 discussion on this authority.

18 55. The United States is not a party in interest to this action. Any registered attorney
19 responding for William Raymond Hinesly or any each Fiction Libelee and its attorneys cannot be
20 a citizen of the United States due to the *de jure* Thirteenth Amendment of the Constitution for
21 the United States of America, a copy is annexed hereto as ANNEX R, and fully incorporated into
22 this claim. Any federal judge assigned this case, who can prove that he has taken the proper
23 Oath of Office, as proscribed in the *First Judiciary Act of September 24, 1789*, for an Article III
24 district court of the United States, and which Oath is on Record in this Court, is competent to
25 adjudicate under Article III due to "inactive" status with the State Supreme Court attorney
26 register. Failure to answer will be met with default judgment for Lewis Vincent Hughes
27 according to the notice on the face of the summons.

VI. Stipulation of remedy

56. The recourse sought is immediate exclusive original cognizance of the United States through the district court of the United States for the western district of Washington and **abatement of any claims and correction of the public records from October 6, 2014 and removal of any FRCP - Rule 4 violations, Notice of Liens, Claims and Notices of Sale, Order for Possession, and other fraudulent documents recorded in the public repository of KING COUNTY. A Declaratory Judgment that the assignment of United States Land Patent Number 32 is valid and complete, and that it acts as a bar to any STATE or COUNTY agent who might try to impose commercial process on Libelant/Petitioner Lewis Vincent Hughes.** This case is repository for evidence for injunctive relief from any future presentments and theft or seizure actions from *any* foreign agents or their principals. Though the theft/seizure could be justified by notice and sophistry under the color of law of municipal structure, the proceedings have obviously been under the pretended authority of unconscionable contract and the recourse demanded is proper. There is no excuse for the arbitrary and capricious attorney actions – inland piracy seizure of property - that have confronted good men and women since the Banker's Holiday. Roosevelt implemented a "voluntary compliance" national debt, upon the States by Governor's Convention, but utilized the 1917 *Trading with the Enemy Act* to compel citizens of the United States to comply. The substitution of *American Citizens* for the German nationals on this land was against *Stoehr v. Wallace*, 255 U.S. 239 (1921) where the Court clearly expresses "*The Trading with the Enemy Act, originally and as amended, is strictly a war measure...*" - directly citing the Constitution Article I, §8, clause 11. The war on the Great Depression (1) does not count and (2) would only last the duration of the emergency if it did.

57. William Raymond Hinesly and each Fiction Libelee and its attorneys and all principals and agents are hereby properly notified. There is no governmental immunity to cover "law enforcement officers" who choose to interfere with one's rights to the land and violators will be

1 arrested by the U.S. Marshal according to Rule C of the *Supplemental Rules for Certain*
2 *Admiralty and Maritime Claims.*

3 *******VII. Injunction*******
4

5 58. Upon William Raymond Hinesly and each Fiction Libelee and its attorneys and all
6 principals and agents; and a sundry of others, etc. are ordered to immediately cease all
7 (professional) conscious contact with Lewis Vincent Hughes and further you are ordered to
8 release all purported claims against Lewis Vincent Hughes regarding any claims under
9 commercial vessel attached to Lewis Vincent Hughes regarding the property located at and
10 addressed as 15923 SE 369th Street, Auburn, Washington state and return of all property
11 intentionally and maliciously removed from said property instanter! **Service to the agent is**
12 **service to the principal and vice versa.**

13

14 **VIII. Notice**

15

16 59. Failure to comply with this injunction immediately will result in the cancellation, in
17 common or several, of citizenship mentioned in the annexed and fully incorporated de jure Bill
18 of Rights. Position of privilege within positive law jural societies are allowed on this fine land,
19 church organizations, Olympic Commission, Freemasonry, home rule municipal corporations
20 [METRO INTERPOL -USNCB, etc., but only when they contain themselves to within the scope
21 of their severely limited jurisdiction, i.e. foreign trade zones under federal public policy of HJR
22 192, P.R. 73-10. The Constitution for the United States of America at Article I Section 10,
23 Clause 1 both protects a Man's right to contract and right of avoidance of imposition by various
24 societies, (Esquires of international banking cartel were obviously foremost in Thomas
25 Jefferson's mind, through domestically exercised titles of nobility, self-aggrandized positions of
26 privilege [privi-leges; private law]. As early as 1810 or so the early constitutional legislators
27 saw a need to specify and enumerate the stipulation further with the lucid amendment.

28

29 **IX. Purpose of Injunction**

1
2 60. Abatement of all claims and return of all property both real and personal erroneously
3 seized under said commercial vessel - Recordings in the KING COUNTY RECORDER'S
4 OFFICE account is warranted upon the vetting of the district court of the United States for the
5 western district of Washington records and files pursuant to an executed Certificate of Search,
6 wherein a reasonable Man would determine that William Raymond Hinesly and each Fiction
7 Libelee and its attorneys have circumvented with willful intent the prohibition and mandate of
8 the Article I Section 10 of the Constitution for the United States of America as it pertains to
9 tender of obligation in payment of debt and FRCP Rule 4 regarding service of process mandate
10 for foreign agents. Thus Libeles presentsments identified herein under the **Notice of Liens,**
11 **Claims and Notices of Sale, Order for Possession, and other fraudulent documents**
12 **recorded in the public repository of KING COUNTY** are utterly void, repugnant to the
13 guarantee of due process in or at law and is abated as a matter of both law and fact.

14
15 **X. TO ALL TO WHOM THESE PRESENTS SHALL**
16 **PREMISES CONSIDERED:**

17 61. **A failure to adhere to this Injunction:** Immediate arrest of any of the herein named
18 individuals, Libeles, and/or total and immediate revocation of citizenship for the same will be
19 implemented by U.S. Marshal under Rule C(3)(a)(ii)(B) *Arrest Warrant of the Supplemental*
20 *Rules for Certain Admiralty and Maritime Claims* upon the concurrent filing of my **certificate of**
21 **exigent circumstances** with the clerk of the U.S. Courthouse after any named Libelee or
22 **subordinate refuses to release from the unlawful restraint the real and personal property of**
23 **Lewis Vincent Hughes upon receipt of this claim - libel of review.**

25 62. Upon offense by hostile presentment after the inevitable default by William Raymond
26 Hinesly and each Fiction Libelee including all agents, principals and any and all offensive
27 presentsments, after fair notice by refusal for fraud like the above clerk instruction a **certificate of**
28 **exigent circumstances** will be issued pursuant to Rule C(3)(a)(ii)(B) *Arrest Warrant* and the
29 clerk will immediately issue an arrest warrant for William Raymond Hinesly and each Fiction

1 Libelee and its attorneys, agent or principal to be taken into custody for the violations of law.
2 Future presentments of any kind from either William Raymond Hinesly and each Fiction Libelee
3 and its attorneys or any other agent acting for the bankruptcy of the United States through the
4 district may be considered hostile threat of seizure.

5 **XI. Stipulation regarding character and residential address**

63. The use of a residential address is by right. All 'privileges' associated with postal
7 delivery are compensated, usually prepaid in honestly won U.S. currency. Lewis Vincent
8 Hughes is not Pro Se and is not representing himself. The clerk shall not change the name of this
9 suit on the docket from the name on the filing fee receipt. Lewis Vincent Hughes retains the
10 unalienable right to hold the district court clerk to the obligations to perform duty of file clerk for
11 the United States working in the United States Courthouse. This includes the expectation that if
12 and when this cause reaches default judgment status against William Raymond Hinesly and each
13 Fiction Libelee the default judgment will be filed in full cognizance of the United States and will
14 appear on the docket as "Default judgment for the Petitioner." Lewis Vincent Hughes is
15 authorized by fidelity bond to file default judgment in lieu of district court of the United States
16 for the western district of Washington action. Any such judgment will stand on the truth for
17 validity. Any character assassination will activate Instrumentality Rule and pierce the corporate
18 veil of the United States and all agencies. Usage of residential address is non-assumpsit and
19 changes Lewis Vincent Hughes's character not in the least:
20

21 "The privilege against self-incrimination is neither accorded to the passive resistant,
22 nor the person who is ignorant of his rights, nor to one indifferent thereto. It is a fighting
23 clause. Its benefits can be retained only by sustained combat. **It cannot be claimed by**
24 **attorney or solicitor.** It is valid only when insisted upon by a belligerent claimant in
25 person." Quote from federal judge Lee in *United States v. Johnson et al.* No. 11400,
26 Middle District of Pennsylvania, 76 R. Supp. 538; 1947, U.S. Dist. LEXIS 3057,
27 February 26, 1947. Emphasis added.
28
29

1 64. The highlighted bold sentence in the above quote admonishes against any clerk action
2 that falsely brands Lewis Vincent Hughes Pro Se - to imply that Lewis Vincent Hughes is
3 representing himself before the district court of the United States for the western district of
4 Washington. Lewis Vincent Hughes is responsible asylum state visiting his judiciary under Rule
5 E(8). If an Article I (active attorney) "judge" is assigned this case or the Article III judge
6 chooses to protect the fiduciary interests of the Bank and Fund, to act as an attorney under
7 Article I, maintain silence:

8 **"BANKRUPTCY.** The state or condition of a bankrupt.

9 2. Bankrupt laws are an encroachment upon the common law. The first in England was
10 ..." Bouvier's Law Dictionary 1856.

11 then that judge will be in breach of his Judicial Canons and his Oath of Office.

12 ~~13~~ 65. All testimony will be without immunity - **piercing the corporate veil and**
14 **Instrumentality Rule.** Lewis Vincent Hughes is a Free White Man with God-given unalienable
15 rights, one living and regenerate entity of sound mind and body.

16 XII. No magistrates

17 ~~18~~ 66. Looking at 28 U.S.C. § 636(c), One finds that a United States Magistrate Judge can
18 conduct a proceeding **ONLY** on the consent of the parties to that proceeding. I hereby and
19 herewith Declare that No one may handle this case but an Article III judge. The nature of this
20 cause is injunctive relief, albeit preemptive. Title 28 U.S.C. §636(b)(1)(A) cannot ensue,
21 "...except a motion for injunctive relief..."

22 XIII. Tort Claim

23 ~~24~~ 69. Libelant/Petitioner, Lewis Vincent Hughes, hereby and herewith registers a Tort Claim
25 for damages suffered and being suffered as a result of the actions of William Raymond Hinesly

and each Fiction Libellee/Respondent and its attorneys, in the amount of five million dollars (\$5,000,000.00).
